Subject: Microsoft Settlement

To Whom It May Concern:

I am writing to urge you to reject the proposed settlement with Microsoft Corporation.

I am a computer professional, a customer of Microsoft and their competitors, and a concerned citizen. I have carefully examined the proposed settlement and believe that it is not punitive and will primarily serve to extend the Microsoft monopoly and further damage their competitors.

A more appropriate settlement would involve a large cash-only fine and restrictions on Microsoft's entry into markets in which they can use their monopoly power to eliminate competition, as they have historically done.

Please, reject this settlement.

Respectfully,

Gordon Meyer
